

Instruction is available by appointment with Cathy Bremer Lombritto, PGA Teaching Professional.

For questions or to schedule a lesson, contact Cathy at 651-303-0917 or golf@underpar.com

Cathy has been involved in numerous aspects of the golf business for 25 years. As a member of the University of St. Thomas Women's Golf team she finished 6th in the National Championship and is a NAIA Golf All-American.

After graduating from college with a degree in education, Cathy pursued a career in golf with a wide variety of duties. Throughout the years she has continued to teach golf to all skill levels and ages "because I love to see the excitement and satisfaction the students enjoy when they accomplish their goals". Cathy's philosophy is to first listen to the students' goals and questions then her responsibility is to clearly communicate throughout the lesson so the student understands the steps to accomplishing their goals.

Cathy and her family have lived in the Stillwater area for 20 years, during the off season she works as a paraprofessional and job coach for physically and cognitively challenged students.
